

Should you use a startup accelerator?

Use this to help decide if an accelerator is a good choice. The more you answer “yes”, the more likely an accelerator can help your business scale.

YES

NO

Is this your first startup?

Do you want to increase your knowledge of the industry or sector?

Do you need to build your network?

Do you still need to start raising venture funds?

Are you able to make a three-month long commitment to an accelerator?

Will an accelerator help solve specific challenges you face?

Do you already have a product or prototype?
