The interface includes a 'Calculate amount' section with radio buttons for 'Buy Amount' (selected) and 'Sell Amount'. There are three input fields for 'Payment #1' (30000.00), 'Payment #2' (20000.00), and 'Payment #3' (1500.00). A '+ Add Another Row' link is below these fields. A 'Calculate' button is to the right. The 'Total EUR' is displayed as 51500.00. At the bottom, there is an 'Obtain Rate' button. A callout box points to the calculator, and another points to the 'Obtain Rate' button. The background shows a sidebar with 'Receiving Incoming Payments', 'Other FX Resources', and 'Daily FX Update'.
