- **Account Holder**
 - For a **Depository Institution** or a **Custodial Institution**, the term **Account Holder** means the person listed or identified as the holder of a **Financial Account** by the **Financial Institution** that maintains the account. A person, other than a **Financial Institution**, holding a **Financial Account** for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account.
 - For an **Investment Entity**, the term **Account Holder** means any investor listed or identified as holding an equity (including a partnership interest or an interest in a trust) or debt interest in the **Investment Entity**. A person, other than a **Financial Institution**, holding an equity or debt interest for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account.
 - For a Cash Value Insurance Contract or an Annuity Contract, the term **Account Holder** means any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the **Account Holder** is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an **Account Holder**.

TIN means a Taxpayer Identification Number (or a **functional equivalent**). A **TIN** is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an **Entity** and used to identify the individual or **Entity** for the purpose of administering the tax laws of such jurisdiction. Some jurisdictions do not issue a **TIN**. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a **functional equivalent**).

Further details may be found within the OECD (2104) Standard for Automatic Exchange of Financial Account Information in Tax Matters (referred to as the Common Reporting Standard or CRS) and the associated Commentaries. The CRS definitions may differ from the U.S. FATCA definitions of the same or similar terms. The CRS and associated Commentaries may be found at <http://www.oecd.org/tax/automatic-exchange/common-reporting-standard/>. For additional information, please contact your tax advisor or domestic tax authority.

Capitalized terms that are not defined in this Appendix are set forth in the CRS and associated Commentaries.

1. **Active NFE** is an **NFE** that is one of the following:
 - a) A **Governmental Entity**, a Central Bank, an International Organization, or an **Entity** wholly owned by one or more of the foregoing.
 - i. The term “International Organization” means any international organization or wholly owned agency or instrumentality thereof. This category includes any intergovernmental organization (including a supranational organization) (1) that is comprised primarily of governments; (2) that has in effect a headquarters or substantially similar agreement with the jurisdiction; and (3) the income of which does not inure to the benefit of private persons.
 - b) An **NFE** the stock of which is regularly traded on an established securities market or an **NFE** that is a **Related Entity** of an **Entity** the stock of which is regularly traded on an established securities market.

 - d) A **Holding NFE that is a member of a nonfinancial group**: Substantially all of the activities of the **NFE** consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a **Financial Institution**, except that an **Entity** does not qualify for this status if the **Entity** functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes.
 - e) A **Treasury Center NFE that is a member of a nonfinancial group**: Primarily engages in financing and hedging transactions with, or for, **Related Entities** that are not **Financial Institutions**, and does not provide financing or hedging services to any **Entity** that is not a **Related Entity**, provided that the group of any such **Related Entities** is primarily engaged in a business other than that of a **Financial Institution**.

- iv. The applicable laws of the **NFE's** jurisdiction of residence or the **NFE's** formation documents require that, upon the **NFE's** liquidation or dissolution, all of its assets be distributed to a **Governmental Entity** or other non-profit organization, or escheat to the government of the **NFE's** jurisdiction of residence or any political subdivision.

Note: Certain entities (such as certain U.S. Territory **NFFE's**) may qualify for **Active NFFE** status under U.S. FATCA but not **Active NFE** status under the CRS.

2. **Controlling Person** means a natural person who exercises control over an **Entity**. Control over an **Entity** that is a legal person is generally exercised by the natural person(s) who ultimately has a controlling ownership interest in the **Entity**. A controlling ownership interest depends on the ownership structure of the legal person and is usually identified on the basis of a threshold applying a risk-based approach (e.g., any person(s) owning more than a certain percentage of the **Entity**). Where no natural person(s) exercises control through ownership interests, the **Controlling Person(s)** of the **Entity** will be the natural person(s) who exercise control of the **Entity** through other means. Where no natural person(s) is identified as exercising control of the **Entity**, the **Controlling Person(s)** of the **Entity** will be the natural person(s) who holds the position of senior managing official.

In the case of a trust, the term **Controlling Persons** means the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, and any other natural person(s) exercising ultimate effective control over the trust. The settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, must always be treated as **Controlling Persons** of a trust, regardless of whether or not any of them exercises control over the trust.

3. **Custodial Institution** means any **Entity** that holds, as a substantial portion of its business, Financial Assets for the account of others. An **Entity** holds Financial Assets as a substantial portion of its business if its gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20% of the **Entity's** gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the **Entity** has been in existence.
4. **Depository Institution** means any **Entity** that accepts deposits in the ordinary course of a banking or similar business.
5. **Entity** means a legal person or a legal arrangement. The term is intended to cover any person other than an individual (i.e., a natural person), in addition to any legal arrangement. Thus, for example, a corporation, partnership, trust, foundation, company, co-operative, or association falls within the meaning of the term **Entity**.
6. **Financial Institution** means a **Custodial Institution**, a **Depository Institution**, an **Investment Entity**, or a **Specified Insurance Company**.
7. **Investment Entity** means any **Entity**:
 - a) that primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
 - i) trading in money market instruments (checks, bills, certificates of deposit, derivatives, etc.); foreign exchange; interest rate and index instruments; transferable securities; or commodity futures trading;
 - ii) individual and collective portfolio management; or
 - iii) otherwise investing, administering, or managing financial assets or money on behalf of other persons; or
 - b) the gross income of which is primarily attributable to investing, reinvesting, or trading in financial assets, if the **Entity** is managed by another **Entity** that is a **Depository Institution**, a **Custodial Institution**, a **Specified Insurance Company**, or an **Investment Entity** (as described in (a) above).

An **Investment Entity** defined in subparagraph (b) that is not a **Participating Jurisdiction Financial Institution** is treated as a **Passive NFE**.

8. **NFE** means a non-financial entity, i.e., any Entity that is not a Financial Institution.
9. **Participating Jurisdiction** means a jurisdiction with which an agreement is in place pursuant to which it will provide the information set out in the CRS and which is identified in a published list.
10. **Participating Jurisdiction Financial Institution** means (i) any **Financial Institution** that is a tax resident of a **Participating Jurisdiction**, but excludes any branch of that **Financial Institution** that is located outside of that jurisdiction, and (ii) any branch of a **Financial Institution** that is not a tax resident of a **Participating Jurisdiction**, if that branch is located in such **Participating Jurisdiction**.
11. **Passive NFE** means any (i) **NFE** that is not an **Active NFE**; or (ii) **Investment Entity** described in subparagraph (b) of the definition of **Investment Entity** that is not a **Participating Jurisdiction Financial Institution**.
12. An **Entity** is a **Related Entity** of another **Entity** if (i) either **Entity** controls the other **Entity** or (ii) the two **Entities** are under common control. For this purpose, control includes direct or indirect ownership of more than 50% of the vote and value in an **Entity**.
13. **Reportable Account** means an account held by one or more **Reportable Persons** or by a **Passive NFE** with one or more **Controlling Persons** that is a **Reportable Person**.
14. **Reportable Jurisdiction** means a jurisdiction (i) with which an agreement is in place pursuant to which there is an obligation to provide the information specified in CRS, and (ii) which is identified in a published list.
15. **Reportable Jurisdiction Person** means an individual or an entity that is a resident of a Reportable Jurisdiction under the tax laws of such jurisdiction. For this purpose, an entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes is treated as a resident of the jurisdiction in which its place of effective management is situated. Dual resident individuals and entities may rely on the tiebreaker rules contained in tax conventions (if applicable) to determine their residence for tax purposes.
16. **Reportable Person** means a **Reportable Jurisdiction Person** other than: (i) a corporation the stock of which is regularly traded on one or more established securities markets; (ii) any corporation that is a **Related Entity** of a corporation described in clause (i); (iii) a **Governmental Entity**; (iv) an International Organization; (v) a Central bank; or (vi) a **Financial Institution**.
17. **Specified Insurance Company** means any **Entity** that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a Cash Value Insurance Contract or an Annuity Contract.
